

DURA FORM AND MOLD RELEASE CONCRETE FORM RELEASE AGENT

DESCRIPTION: DURA FORM & MOLD RELEASE is a silicone-free, non-staining release agent that is used to release regular concrete and modified cement systems from polyurethane molds, form-liners, and edge-liners. It is specially formulated not to damage polyurethane molds and forms and to promote crisp detail in the finished concrete impression. DURA FORM AND MOLD RELEASE is a pale, fast drying, easy-to-use liquid that is non-toxic and low odor.

BENEFITS:

- ▶ Creates a positive barrier, preventing the adherence of concrete.
- ▶ When applied properly, will not discolor or stain concrete.
- ▶ Improves efficiency by allowing for fast clean-up and re-application.
- ▶ Low Odor - Does not contain solvents or other harmful.
- ▶ Substantially cuts form clean-up time.

PREPARATION: Form surface should be clean and dry.

INSTRUCTION: FOR PROFESSIONAL USE ONLY. Spray on Dura Form & Mold Release with a pump sprayer (atomizer) or trigger sprayer as thinly as possible while making sure to cover all areas of the mold or form-liner. After spraying, brush or wipe the material until it is applied as uniformly as possible. Avoid puddling the material and wipe off any excess release that may have accumulated from application. Concrete may be placed immediately after application. Strip forms as soon as job requirements allow.

COVERAGE: DURA FORM & MOLD RELEASE covers approximately 200 - 400 square feet per gallon.

CAUTION: KEEP OUT OF REACH OF CHILDREN. Before using or handling, read the Safety Data Sheet and Warranty. DO NOT TAKE INTERNALLY. Avoid contact with skin and eyes. Wear gloves and aprons to protect skin and wear safety eye goggles.

WARRANTY: This product is not for public use and is intended for use by licensed contractors, experienced and trained in the use of these products. It is warranted to be of uniform quality within manufacturing tolerances. The manufacturer has no control over the use of this product, therefore, no warranty, expressed or implied, is or can be made either as to the affects or as results of such use. In any case, the manufacturer's obligations shall be limited to refunding the purchase price or re-placing material proven defective. The end user shall be responsible for determining product's suitability and assumes all risks and liability.
